5) The contributions promised by the Village Panchayets towards the cost of the building may be accepted.

6) As regards recurring charges, the exact amount payable has not been indicated. The Nonavinakere Village Panchayet is not working well. It has heavy arrears and also a lot of demand on its funds for works of an obligatory character. No payment on account of recurring charges should be levied from the Panchayet. The latter should be paid by the Red Cross Society and the District Board.

To

GENERAL SECRETARY
23 APR. 1937

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

In forwarding herewith a copy of letter received from the Deputy Commissioner, Tumkur District and its enclosure in original, about the proposed construction of a Maternity Home at Nonavinakere in the compound of the Dispensary building, I have the honour to request you to be so good as to kindly obtain very early sanction of Government for this proposal.

The plan is of the approved type design and will be constructed from the funds of the Nonavinakere and 14 other Village Panchayets who are reported to have contributed a sum of Rs.1200/- for the purpose. The Deputy Commissioner reports that the incidental and recurring expenditure will be met by the Local Village Panchayet, and the cost of equipment will be met from out of the grant of Rs.2000/- sanctioned to the Tumkur District from out of His Majesty's Silver Jubilee Funds. The proposal does not involve any extra cost to Government.

I solicit very early orders.

I have the honour to be,

Sir,

Your most obedient servant,

B K Narayana Rao 21/4

Ag. Senior Surgeon

Letter No.V.P.C.2862/36 dated 14-4-1937, from the Deputy Commissioner, Tumkur, to the Senior Surgeon in Mysore, Bangalore.

With reference to your No.C.2308-1 dated 10th April 1937, requesting me to forward the plan and estimate of the proposed Maternity Ward at Nonavinakere and the site plan of the Dispensary etc., I have the honour to enclose the plan of the building as also the site plan and to state as follows:-

The Maternity Ward is proposed to be constructed in the Dispensary Compound so that the services of the Sub Assistant Surgeon and the Midwife attached to the Dispensary may always be available for attending to Maternity cases in the ward building. The incidental and recurring expenditure will therefore be very small and the Village Panchayet of Nonavinakere will be directed to meet the same.

As regards equipping the ward, a sum of Rs.2000/- has been sanctioned to this District from His Majesty's Silver Jubilee Funds and the Honorary Secretary and Treasurer, Indian Red Cross Society, State Branch, will be requested to sanction a suitable sum from this amount. It is requested that early orders of Government may kindly be obtained so that the building may be completed before the end of the official year.

18. Letter from the Secretary to Government, Local Self Government Department, regarding grant of Rs.40/- per annum towards the recurring charges of the proposed Maternity Home at Nonavinakere was read.

Dr.(Mrs.) Rosenthal said that if this particular case was considered favourably, several similar applications would pour in and the Society may not be in a position to meet such requests.

Dr. Parthasarathy pointed out that according to the Government Order dated 20/24th November 1936, the maintenance charges of the Maternity Home ~~xxxxxx~~ should be borne by the Municipality of Panchayat and the Society is not expected to meet any part of the recurring charges. In special cases, the desirability of paying small grants towards the renewal equipment may be considered favourably.

RESOLVED that a sum of Rs.20/- towards the annual renewal of equipment be sanctioned.

SIR,

With reference to your letter No.G.5773/Med.248-36-13 dated 25th January 1938, enquiring if the Village Panchayet of Nonavinakere in Tiptur taluk is financially capable of contributing Rs 20/- per annum required to meet the annual recurring charges of the Maternity home at the place, I have the honour to forward herewith a copy of Tumkur Deputy Commissioner's letter No.V.P.C.2862/36-37 dated 4th March 1938, together with a copy of Tiptur Amildar's report received therewith in the matter, and to state that it is reported that the Village Panchayet is under Supersession and that it is capable of contributing Rs 20/- per annum without any inconvenience.

2. In this connection, the Deputy Commissioner has further reported that he has made a reference to the Secretary, Indian Red Cross Society, Bangalore, to move the Society to contribute Rs 40/- per annum being the moiety of the annual charges as originally resolved by them, instead of contributing only Rs 20/- which has been fixed apparently by mistake. If as reported by the Deputy Commissioner, the society agree to pay Rs 40/- per annum then the Village Panchayet will not have to contribute any amount towards the maintenance charges. I have requested the Deputy Commissioner to send up a further report in the matter. On receipt of a reply from the Secretary, Indian Red Cross Society, Bangalore, which will be

forwarded to Government.

Initial equipment and recurring cost of the Maternity Home at Nonavinakere,Tiptur taluk.

With reference to your D.O.No.C.3363/37-38 dated 8-2-1938, forwarding copy of letter No.G.5773/Med.248-36-13 dated 25-1-38, from the Secretary,Local Self Government Department on the above subject enquiring if the Village Panchayet are willing and able to contribute a sum of Rs 20/- per annum required to meet the recurring charges of the Home, I have the honour to forward herewith a copy of report No.VPC.259/36-37 dated 15-2-1938,received from the Amildar,Tiptur taluk,in the matter stating that the Village Panchayet can contribute this sum annually for the aforesaid purpose without any inconvenience and I agree with him.

In this connection, I desire to state that the Indian Red Cross Society have also resolved in their meeting held on 14-8-1937,that they would meet half the maintenance charges from their funds,the other half being met by grants from local bodies ,that on receipt of information from the President, District Board,Tumkur to the effect that the Board are agreeable to pay Rs 40/- per year for the maintenance of the Maternity Home at the place, a reference has been made to the Secretary, Indian Red Corss Society in this Office even number dated 25-1-38 (a copy of which is herein enclosed for kind perusal) pointing out the mistake in apparently fixing Rs 20/- instead of Rs 40/- as a moiety of the expenditure and requesting that the Society may be moved to sanction Rs 40/- per annum as their moeity instead of Rs 20/- fixed at their meeting held on 14-8-1937.

It is also at present contrivuting Rs 400/- annually towards the maintenance charges of

the Local Fund Dispensary. It can conveniently contribute the small sum of Rs 20/- annually towards the maternity home

As the Panchayet is under supersession, the resolution of the Panchayet has not been submitted.

The amount at the credit of the Panchayet is Rs 2460-2-7 on this date.
